

# UW Study Abroad Pre-Departure Loan Agreement

Signing the UW Study Abroad Pre-Departure Loan agreement authorizes International Academic Programs (IAP) to charge the total amount of the loan to your student financial account, billed to you by the UW-Madison Bursar.

Your program acceptance deposit will be deferred, but is still owed by you, and will be charged to your student financial account at the time of program fee billing.

Your flight booking costs will be paid to the designated travel agency by IAP, but are still owed by you, and will be charged to your student financial account at the time of program fee billing.

**By signing this UW Study Abroad Pre-Departure Loan agreement, I understand:**

I am responsible for paying the program acceptance deposit and flight booking costs incurred on my behalf by IAP even if I cancel or withdraw (or am required to cancel or withdraw) from the program for any reason, unless otherwise stated in the program cancellation and withdrawal policy.
